University Beautiful of The City Beautiful

Chandigarh, the acknowledged masterpiece of architectural aesthetics, is counted among the beautiful cities of India. Having witnessed a unique harmony in industrial and cultural growth, it has produced the best minds in many fields.

Panjab University was founded more than a century ago. From a small beginning as an expanded version of a college in Lahore (Pakistan), it grew steadily into a University of National significance. Pandit Nehru's dream of 'University Beautiful' in a 'City Beautiful' was realized with the location of the Panjab University in Chandigarh in 1956. Spread over two sectors in the city, Panjab University Chandigarh has a green, clean and beautiful campus. At present, the Panjab University encompasses the Chandigarh Campus with its teaching departments and its affiliated colleges spread over the Union Territory of Chandigarh and a part of the state of Punjab along with the Regional Centres at Muktsar, Ludhiana, Kauni and Hoshiarpur. It has 78 teaching and research departments, and 15 Centers/ Chairs covering areas of study in Science, Arts, Business Management and Commerce, Engineering and Technology, Law and Pharmaceutical Science. University Business School (UBS) and several other departments of the University have enjoyed the status of UGC's Centers of Excellence.

The unique and distinctive proposition of learning at UBS through collective discourse providing both theoretical concept clarity and application-oriented methodology has helped me in understanding the management concepts in a more effective way. We had the opportunity to learn through the extremely interactive and engaging lectures from the in-house faculty and visiting professors with both industrial experience and academic experience. In addition to the academics, it is the podium that UBS has given me for the development of my leadership skills that I would cherish for lifetime.

ABOUT UBS

University Business School (UBS) has been imparting quality management education to develop dedicated, innovative and effective managers, researchers and teachers for more than five decades. The re-christening of the Department of Commerce and Business Management as University Business School in 1995 by the Panjab University, symbolizes the recognition of completeness and maturity of the Department as a center of management education in India. The transformation from a Department to a School has given it a distinct identity as a 'School of Thought'. On October 06, 2018 - the UBS celebrated the Golden Jubilee of the commencement of the MBA program at UBS.

The philosophy of the management education at the University Business School is built on an integrative value system. It is motivated by duty bound work ethics, humane approach and scientific temper. The philosophy of the school is translated into a mission of creating a wholesome personality of human beings to produce efficient and innovative managers, researchers and teachers. Modern attitude, practical wisdom, knowledge and skills relevant for management, are deeply ingrained in the students.

The School uses rigorous, multifaceted pedagogy including case teaching with an effective interface with the industry to translate the mission of UBS into action. It creates opportunities for its students to enhance their understanding of the economic, social and political environment to enlarge their ability not only to adjust to change but also to become a catalyst, for change and to develop their power to conceptualize, decide and communicate. The curriculum for different MBA programs at UBS are periodically updated, and from the Academic Year 2019 (w.e.f. the Batch 2019-2021), the MBA programs are under Honours School System. A new program in MBA (Entrepreneurship)³ commenced during Academic Session 2019- 2020. The faculty of the University Business School, trained in India and abroad, has earned international recognition in the industry and academia. UBS students have earned a mark in the domain of business. The UBS is pursuing AICTE affiliation for its different MBA Programs.

Faculty members are available for consultation and guidance of the students from 03:00 to 04:00 pm on working days.

This Programme shall also be guided by the same regulations as mentioned above.

The faculty of UBS is engaged with industry through consultancy assignments, management development programmes, industry-focused research and case studies. Top executives from the industry located around Chandigarh have been taking classes at the School, which helps in imparting pragmatic sense to the teaching- learning process. In addition, management luminaries in different disciplines are invited for special lectures.

Practical experience in the actual work environment of the industry is the necessary component of the full-time management programmes. It is compulsory for every student to go for a summer training of eight weeks duration at the end of the first year. The students there-upon relate their classroom learning with the reality of management, and as such second-year programme becomes more goal-oriented and meaningful.

The School is well equipped with the modern methods of teaching and teaching aids. The course work is demanding. The performance of the student is continuously evaluated through class participation, written assignments & class tests, in addition to mid-semester and end-semester examinations. UBS has a well-organised placement cell for full-time students. Every year a placement brochure is prepared containing brief bio-data of the final year students, and it is sent to reputed organizations. Nearly all our full-time MBA students get placement through campus interviews. Some of the reputed organisations that have recruited UBS students during the last year include Tolaram Group, Trident, Infosys, Wipro, Tech Mahendra, Deloitte, E&Y, KPMG, ICICI, Axis Bank, HDFC Bank, ICICI Prudential, SBI Life Insurance, ITC, Yes Bank etc.

The spirit of excellence at the UBS can be gauged from the praiseworthy performance of its alumni who have made their mark in establishing and managing renowned business organizations. The alumni also hold faculty positions in the top management institutes of the world. Many of them are in multinational companies and the Indian Administrative Services.

UBS also offers MBA for Executive [MBAfEX] two years program in the evening and M.Com. (Hons.) program, in addition to MBA, MBA(IB), MBA(HR) and MBA(EP), under the Honours School System.
